BLAZER Bangin' On The Blizzard BattleNet: Terran Phone Home (song Storyline)

The Story So Far this time...

Image being stranded on a planet distant from "Home" [Earth for some Terran] knowing the danger of death is replacing the presence of criminal containing imprisonment or solitary confinement. Having killed billions of your kind on more than one planet-- facing an alien race of mutant bio-horrors is from comforting in thought-- yet E.T. Phone home when Disney is in charge so why not imagine that phone call you're promised at the Comm Center [Given you protect it) and sing while marching? Beats dying. **"BLAZER Bangin' On The BLIZZARD BattleNet:"** "Terran Phone Home (Original Mix):" A Satellite call to home.

Completely composed in **Ableton Live!** (also endorsed by Armin van Buuren) With the New **Nexus 2**.

*A Blazer is a college student at VSU (Valdosta State University)

Special thanks to **Microsoft** for housing a "Digital soul" [Metaphysical area behind the physical computer] For which the **Nexus 2 Synthesizer** could be contained within the **DAW** [Digital Audio Workstation] **Ableton Live!** (=) MEGA thanks to **BLIZZARD Entertainment** for a more than innovative video game which [judging by the credits after completing Heart of The Swarm...] took so many people -- **George Lucas** and the **Star Wars** Franchise may verily-well be quadruple outnumbered in cast-and crew to tell a story! ^^ (I'm sure it takes a lot to set the metaphysical properties sharing the story of the inimitable tale of **StarCraft!**)

Uber-thanks to **Newgrounds** for allowing me to place my music and **Google/YouTube** as well-- These distribution channels are Lifesavers for independent / prolific musicians, authors and artists =) **Adobe** gets props non-stop for **Photoshop** (=O and **Premiere Pro** of course ^_^ **VirtualDub** team--w00t! Without **Dreamweaver** I would not have a place to "Put" beyond physical walls: so Thank You **Adobe** =)

Unable to close this out without giving a SUPER Thank You to all of You who are listeners+friends online and offline who enjoy / have enjoyed my music and written Shapes of Thought shared-- Thank You all =)

This ends a page in **Microsoft Word** [didn't intend to keep You too long =)] and brief storyline for **"TIGER M – Terran Phone Home (Original Mix)"** from **"BLAZER Bangin' On The BLIZZARD BattleNet"** [Album Track 2] **"(Original Mix)"** (OM) You will find important later as the Instrumentals are all in the OM but the **Full Vocal Mix** (Music plus recorded song vocals) are still incomplete at this time... but are in cue. [expect extremely professional production (mainstream level)].

Initially all eight tracks [Original Mixes (Instrumentals / Music tracks) and Full Vocal Mixes (Music+lyrics)] were intended to be released with your convenience in mind. All word- (lyric) writing is complete though! "Happy Halloween 2016!"
