Brought To You By:

A Warm & Humble Welcome: Update From The Physical To The Digital! Final Month of The Year! =) **THIRD** Hyperlink Journals Series ^_^

Hey everybody! =D And an early “Happy New Year’s Day” 2014! ^_^ Merry Holiday Season! =)

Simply to keep You in tune with how the “**TIGER M Follow Me Hyperlink Journals**” are going to continue to be done simply a reminder that the original “Official Release” of this series was completed in October. So, the addresses Journalized for “October 2013” (First Journal) actually list “September 2013” hyperlinks. The month each Journal is released, it covers the month before it. Certainly hope that makes sense! ^_^

The links this “**TIGER M Follow Me Hyperlink Journals**” series covers are links I visited “**November 2013.**” However, the month this Hyperlink Journal was printed to be published is this month: “**December 2013.**” As awesome as it would be if it could be done in this day and age... it is not possible just yet for me or anyone who I know—to “travel into the future” (at this time ^_^) and collect hyperlinks for the month “December 2013” prior to me “Surfing the pixels of cyberspace” in well... “**December 2013...**” ^^; So long tale told – long description short— Every “**TIGER M Follow Me Hyperlink Journal**” covers all links visited the month prior to it. Simply restating what was just stated so hopefully clarity is true and sense is keen.

There is actually a “Journal Series” that I am printing but is not yet ready for public release—an extension of the “**TIGER M Follow Me Hyperlink Journals**” that I’ll talk about later on in the future World Willing. That series also contains hyperlinks and when it is released, I surely will let You know! =) Up until that time comes—please enjoy this month’s “**TIGER M Follow Me Hyperlink Journals**” for “**December 2013!**” =) Again, I am doing this because I am passionate about exploring the correlation of the physical and digital.

Next month, I intend to make some aesthetic changes to the design of my Hyperlink Journals for 2014. =) This will be the last month that I will feature two separate “Sections” for each of the computers that are utilize to visit websites and go on “**Digital Adventures.**” =3 This means that each “Day” during a month will only be covered **once** instead of the fairly confusing “each-computer-has-a-month-list-of-hyperlinks” that covers day by day that was being done this year (2013). I will specify my super companions—the PCs –before revealing the list of hyperlinks. =) [And yes, it is important to me to to credit my PC partners. =3]

Next Month will be New Year’s 2014! =) Excited? Indeed it should be a lot of fun! =D Next month, the “**TIGER M Follow Me Hyperlink Journals**” will cover this month’s digital address visits (December 2013) but will be named the month it is released in next year: January 2014! Happy New Year Everybody! =D Stay Awesome & Remain Honest and True! =)

Please enjoy this month’s “**TIGER M Follow Me Hyperlink Journals!**” © -Tiger M. Gales aka **WAM!** DJ, **TIGER M**
